

# EC2U MENTORING WEBINAR.

## BRIDGING ACADEMIA AND INDUSTRY SOCIETY.

April 28, 2025  
3:00 – 5:00 PM CET

### Become a Mentor & Inspire the Next Generation!

Are you a STEM professional who transitioned from academia to industry?

Would you like to share your experience with PhD candidates looking for career opportunities beyond academia? Join our EC2U Mentoring Webinar and help guide young researchers on their professional journeys.

#### What is the EC2U Mentoring Webinar?

This online event connects PhD candidates (mentees) in STEM with industry professionals (mentors) for discussions on career development, skills, and industry pathways.

#### Highlights:

- Small-group discussions where mentors share insights and answer career-related questions.
- International exchange with PhD candidates across Europe.
- Optional follow-up mentoring for deeper conversations.

#### Who can apply as a mentor?

We are looking for STEM professionals who:

- Have a PhD in a STEM field.
- Transitioned from academia to industry after their PhD or postdoc.
- Are enthusiastic about mentoring young researchers.

#### Mentor Commitment

Max. 4 hours total (2-hour webinar plus optional up to two 1-hour follow-up mentoring sessions)

#### How to Apply?

Send an email to: [career.mentoring@jku.at](mailto:career.mentoring@jku.at)

Include:

- A short introduction (background, career path, current role, and organization).
- (Optional) A link to your LinkedIn profile.

**Deadline: 28 February 2025**
